RSVP is essential

The National Board's breakfast forums are open to all occupational therapists and are free of charge. Further events may be scheduled if numbers exceed venue capacity. Please note that RSVP is essential.

Interstate meetings

The Occupational Therapy Board of Australia (the National Board) meets on a monthly basis, typically at the AHPRA National Office, Melbourne. In addition to publishing monthly communiqués, members of the National Board will be holding breakfast forums with practitioners to engage directly about national regulation and related matters.

The first forum will be held in Melbourne in November 2012. Future dates/venues anticipated for 2013 include Brisbane (March), Perth (May), Adelaide (July), Sydney (October) and other states/territories.

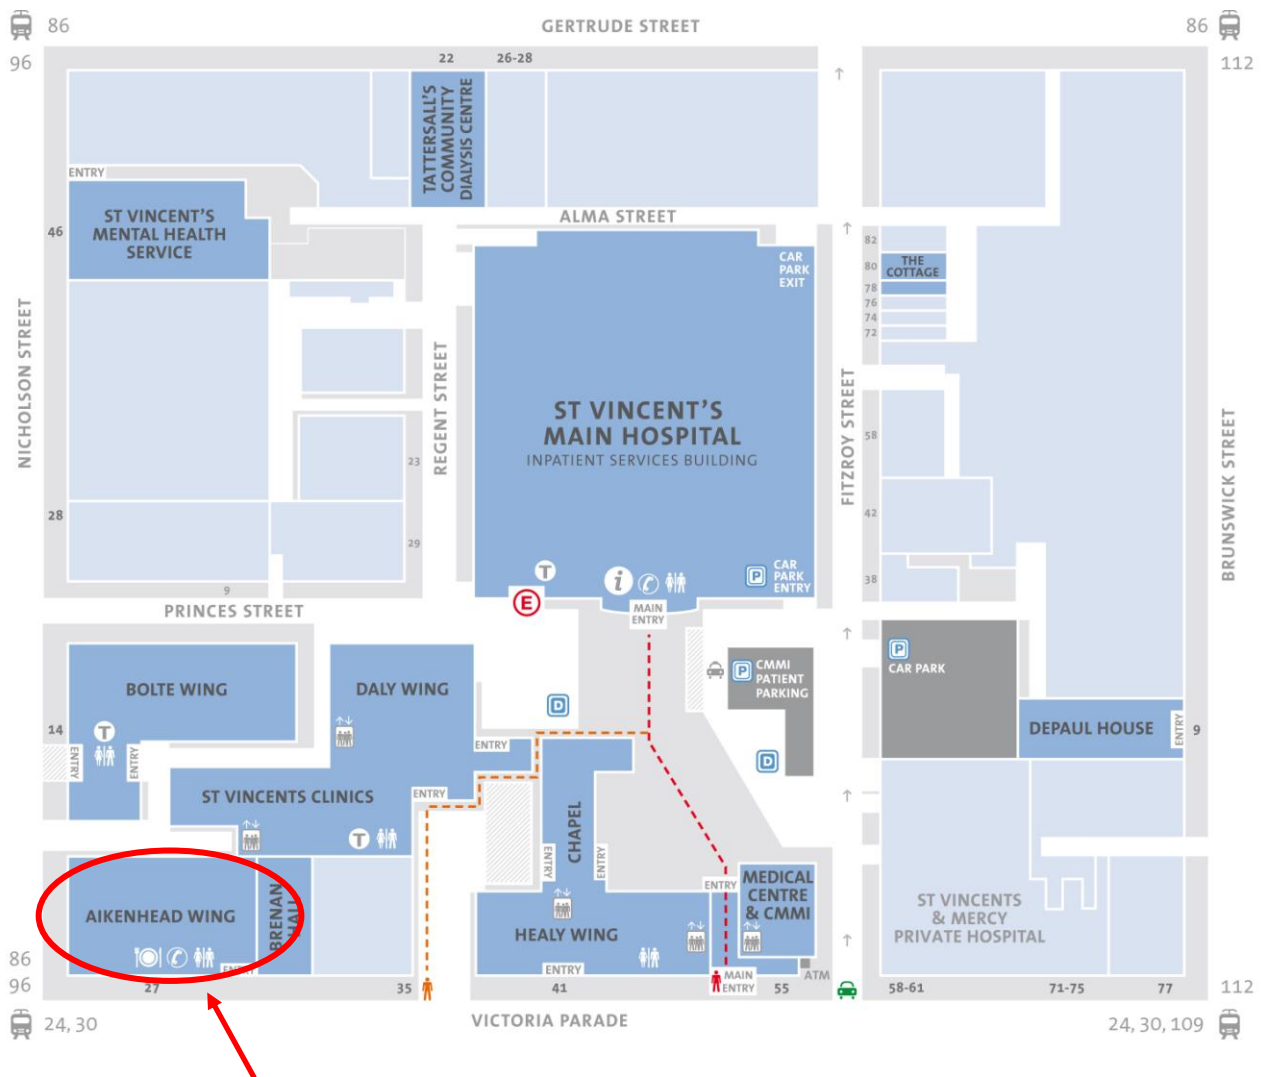

Keep up to date!

An important and easy way to keep up to date with the work of the National Board is to register to receive email updates (you may opt out at any time). Visit the *About us* section of the National Board's website to register: www.occupationaltherapyboard.gov.au

¹ The National Board is grateful for the assistance of the St Vincent's staff at the Occupational therapy & hand therapy unit in helping to secure this venue.
