Occupational therapists are invited to meet with the National Board and AHPRA staff to learn more about the National Registration and Accreditation Scheme, to take part in a Q&A session and to network with peers.

The National Board would like to thank Occupational Therapy Australia for enabling this event to precede the OTA 2013 Conference and for venue access prior to conference registration.

Interstate meetings

The Occupational Therapy Board of Australia (the National Board) meets on a monthly basis, typically at the AHPRA National Office, Melbourne. In addition to publishing newsletters, communiqué updates and news items, members of the National Board are holding interstate breakfast forums with practitioners to engage directly about national regulation and related matters.

This will be the Board's third breakfast forum for 2013. The fourth and final event for 2013 will be held in Sydney (22 October). Further events will be held in 2014.

RSVP is essential

The National Board's breakfast forums are open to all occupational therapists and are free of charge. Further events may be scheduled if numbers exceed venue capacity. Please note that RSVP is essential.

Keep up to date!

An important and easy way to keep up to date with the work of the National Board is to register to receive email updates (you may opt out at any time). Visit the *About us* section of the National Board's website to register: www.occupationaltherapyboard.gov.au
