Occupational therapists are invited to meet with the National Board and AHPRA staff to learn more about the National Registration and Accreditation Scheme, to take part in a Q&A session and to network with peers.

Interstate meetings

The Occupational Therapy Board of Australia (the National Board) meets on a monthly basis, typically at the AHPRA National Office, Melbourne. In addition to publishing monthly communiqués, members of the National Board are holding interstate breakfast forums with practitioners to engage directly about national regulation and related matters.

This will be the Board's second breakfast forum for 2013. Future dates/venues anticipated for 2013 include Adelaide (24 July) and Sydney (22 October).

RSVP is essential

The National Board's breakfast forums are open to all occupational therapists and are free of charge. Further events may be scheduled if numbers exceed venue capacity. Please note that RSVP is essential.
